THE BROIL KING® ADVANTAGE

Performance and Great Barbecue Flavor.

Every Broil King® gas grill is built to provide unparalleled cooking performance delivering great barbecue flavour. Broil King's design and features gives you the ability to cook almost anything on your grill in any style you desire. You can sear steaks to perfection, rotisserie cook poultry or roasts, and even bake elaborate desserts. Every part of the cooking system is designed and engineered for a specific purpose – to deliver great barbecue flavor. When combined, the results are simply spectacular. There's no mistaking the great flavor you get with Broil King®.

Amazing Heat Retention

Made from die-cast aluminum and high-grade stainless steel, these durable double-walled lids provide excellent heat retention and long lasting durability. The cook box is designed to ensure even heat and heat retention for precise control.

Perfect Steakhouse Sear Marks

All Broil King® cooking grids deliver excellent heat retention and exceptional searing power maximizing vaporization and creating amazing barbecue flavor. The Flav-R-Cast™ grids have two sides. One side is pointed for those perfect steakhouse sear marks while the other side has grooves for continuous basting.

Incredible Flavor

The stainless steel Flav-R-Wave™ cooking system provides superior heat distribution across the entire surface of the grill while protecting the burners. Drippings that fall onto the Flav-R-Wave™ are instantly vaporized. Vapor created through this process infuses into your food for unmistakable barbecue flavor.

Unmatched Performance

Broil King®'s patented Dual-Tube™ burners are made from high quality, heavy-duty stainless steel. These large diameter, tube-in-tube side ported burners provide even heat distribution with two rows of flame per burner.

Perfect Temperature

Linear-Flow™ valves with 180 degree Sensi-Touch™ control knobs give you infinite heat control, allowing you to set your grill to the perfect temperature for searing, roasting or slow cooking.

Luxury.

The Imperial™ Series

Broil King® takes luxury and performance to a whole new level. Light up the night with control knobs and oven lights to create ambiance at your next outdoor get together. Crafted from durable North American steel, the exterior assertively states *professional cooking appliance*. The Broil King® Imperial™ series is a collection of luxurious grills made for professionals and the adventurous outdoor chef.

Performance. Commercial Series

The Broil King® Regal™ Commercial series is perfect for golf courses and large banquet events. These premium, heavy-duty “workhorse” grills are designed for performance, durability and exceptional results. The durable 304 stainless steel exterior provides a commercial-grade look but the real success lies in the renowned performance cooking system. With patented stainless steel Dual-Tube™ burners, a durable 304 stainless steel cook box, and cast stainless steel grids, you’ll have the confidence that these grilling machines are ready to sear the perfect steak and anything else you can dream of throwing on it.

Better fuel for better flavor.

The perfect barbecue starts with the right kind of fuel. Broil King's Premium Grilling Pellets are specifically designed to work with the Broil King® Pellet series grills.

Our pellets are 100% natural and contain only premium wood with no fillers, oil additives, or binding agents. Available in a variety of blends, these premium pellets offer optimal cooking performance and great flavor.

Our source woods are mixed before pelletizing, ensuring that each pellet contains the intended blend. This method allows for more repeatable cooking performance with a consistent burn and smoke flavor.

63920 | HICKORY PELLETS

63930 | SMOKE MASTER'S BLEND

63939 | GRILLER'S SELECT BLEND

| | |
|------------|-----------------------------------------------|
| DESIGN | Varying smoke intensities in 5 popular blends |

63946 | PELLET SCOOP

| | |
|------------|--------------------------------------|
| MATERIAL | Stainless steel, resin handle |
| DESIGN | Slotted-hole design to sift out dust |
| DIMENSIONS | 14-in x 4.8-in 35.5 cm x 12.2 cm |

SMOKE MASTER'S BLEND Maple | Hickory | Cherry – A selection of pellets popular with competition BBQ champions. This blend offers hints of sweetness combined with a full bodied hickory smoke. Adds a well-balanced smoke taste to grilled foods. Try with beef, poultry and pork.

GRILLER'S SELECT BLEND Maple | Oak | Cherry – This pellet blend offers a lighter and slightly sweet smoke, designed to not over-power natural flavors. A great choice as an everyday grilling pellet. Try with beef, poultry, pork, fish, vegetables and pizza.

ITEM # 63939

HICKORY The most iconic BBQ flavor. Hickory offers a strong smoke taste, often associated with bacon or smoked ham. This robust smoke works well with large cuts of meats. Try with beef, poultry, pork and hearty vegetables.

ITEM # 63920

| MATERIAL | Natural hardwood lump charcoal |
| DESIGN | Strikes like a match, each stick burns for six minutes |
| DIMENSIONS | 8.8lb 3.99 kg bag |

BETTER FUEL MAKES BETTER FOOD!

100% Natural Hardwood Lump Charcoal delivers the ultimate outdoor cooking experience with authentic flavor, unmatched performance, and incredible convenience.

Unlike charcoal briquettes, our Lump Charcoal contains no chemicals, additives, or fillers. You just get that delicious natural flavor of cooking over a real hardwood fire. Hardwood Lump Charcoal lights quicker, burns hotter, and lasts longer than briquettes. Clean up is easier too. With no fillers, our Lump Charcoal produces about 5X less ash.
