# NEW

## NOW IT'S POSSIBLE TO PERSONALIZE YOUR FIRE BOWL

We are giving you the opportunity to create your individual design of a firebowl adapting it to the current market trends, the image of your company and the requirements of customers.

The edge of the product will be cut out of a thick sheet of steel by a CNC laser and welded to the bowl composing a massive construction.

This project gives you the unrestricted opportunity to develop your own design. The only thing that can limit the project is your own imagination!

# IDEAL PRESENT!

## YOU CAN CREATE YOUR FIREBOWL

- with a company logo

# **INGREDIENTS**

- 1 1/4 pound boneless, skinless chicken breasts, trimmed of excess fat
- 1 teaspoon salt
- · 2 Tbsp plain yogurt
- 2 cloves garlic, minced (about 2 teaspoons)
- 1 Tbsp minced fresh oregano (or 1 1/2 teaspoons dried oregano)
- 1/8 teaspoon freshly ground black pepper
- 1 teaspoon lemon juice
- 1 Tbsp olive oil plus more for the grill
- · 2 lemons, thinly sliced

#### TZATZIKI:

- 1 cup plain yogurt
- 2 cloves of garlic, minced (about 2 teaspoons)
- 1/2 teaspoon kosher salt
- 1/8 teaspoon black pepper
- 1 Tbsp lemon juice
- 1 cucumber, peeled

### STEPS TO MAKE IT

Cut the chicken breasts into 1 1/2 to 2 inch chunks. Place in a bowl and sprinkle with salt. Add the yogurt, minced garlic, oregano, pepper, lemon juice, and olive oil to the bowl with the chicken, stir to combine. Marinate for 30 minutes to an hour.

While the chicken is marinating, make the tzatziki. In a medium bowl stir to combine the yogurt, minced garlic, salt, pepper, and lemon juice. Grate the cucumber with the large holes of a box grater. Place in a strainer and press with your hands to squeeze out excess moisture. Add the grated cucumber to the yogurt mixture.

Prepare your grill for direct high heat. While the grill is heating, prepare the skewers. Use either flat bamboo or metal skewers or double up regular bamboo skewers so that the chicken is easier to turn on the grill. Thread the chicken pieces onto the skewers with a lemon slice folded over like a taco between each piece of chicken.

When the grill is ready brush the grill grates with a little olive oil (use a paper towel folded over several times and dipped in olive oil, hold with tongs). Brush some olive oil over the chicken skewers as well. Place the chicken skewers directly over the hottest part of the grill and cover the grill. Allow to sear on one side (about 2 to 3 minutes), then turn the chicken skewers over to the other side, cover and cook 2 to 3 minutes more, until the chicken is browned and just cooked through. Remove from grill and serve immediately with tzatziki sauce.

# INGREDIENTS

#### FOR THE DRY RUB:

- 1/4 cup of paprika
- 3 T dark brown sugar
- · 2 T ground black pepper
- 1 T chili powder
- · 2 tsp garlic powder
- · 2 tsp dry mustard powder
- · 2 tsp celery salt
- 1 tsp kosher salt
- 1 tsp cayenne pepper

### **INGREDIENTS IN JOE'S BARBECUE SAUCE:**

- · 2 cups ketchup
- 1/4 cup applesauce
- 1/4 cup apple cider vinegar
- 1/4 cup Worcestershire sauce
- · 2 T soy sauce
- 1 T brown sugar
- 1 tsp garlic powder
- 1 tsp ground white pepper
- 1 tsp ground ginger (not freshly ground)
- 1 golden delicious apple which has been peeled, cored and finely grated (on the finest grate of your grater)
- 1 small onion (again finely grated)

# STEPS TO MAKE IT

#### FOR THE DRY RUB:

Mix all ingredients together and sprinkle all over ribs.

#### FOR SAUCE:

Assemble ingredients and mix together in a sauce pan. Bring to a boil and then simmer for 15-20 min until sauce is thick.

#### PREHEAT GRILL.

Cook over an indirect medium heat for about an half of hour. Turn once and cook for additional 30 minutes. Watch carefully to avoid burning. You might need to grill large quantity of ribs in shifts.

When the ribs have finished cooking, a knife will pass easily into the meat between the ribs and you can see no or very little pink.

Serve with your favorite barbecue sides and enjoy!
