Product description

This wine cellar is designed to simplify installation and elevate your bottles. Its **self-ventilation system** eliminates the need for high and low ventilation grills in your cabinetry, ensuring a seamless aesthetic integration without compromising performance.

On the design side, the **adjustable lighting** provides a true touch of personalization: choose from three refined tones (warm white, cool white, and amber) to showcase your bottles, and set the light intensity to 25%, 50%, 75%, or 100%, depending on the desired ambiance.

Additionally, **telescopic rail** shelves ensure smooth and secure access, a **reversible door** allows for adaptable installation, and **smart connectivity** lets you remotely control temperature, lighting, and alarms.

This is more than just a wine cellar: it’s the perfect blend of technology, comfort, and sophistication, offering preservation and presentation of your finest wines that meet the highest standards.
