Vinotag compatible : Yes

Product description

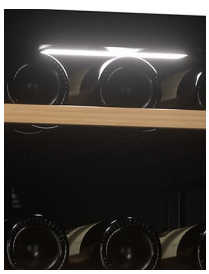

Service wine cellar : The CEPAGE108DZ wine cellar allows the wine to be brought to temperature before tasting. Bringing it to temperature awakens the aromas and allows you to appreciate the wine during tasting. Equipped with two separate temperature zones with independent settings, it allows several types of wine to be brought to tasting temperature in the same cellar simultaneously.

Storage and presentation : The tempered glass door protects the wine from light and highlights it. The wine collection is preserved while being accessible and presented on 5 strong wire shelves with traditional beech wood front.

CLIMADIFF expertise : For 11 generations, Climadiff has been preserving and bringing wine to tasting temperature. Preciously preserved in our cellars, the wine ages and improves and becomes your heritage.

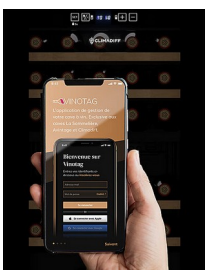

DUAL TEMPERATURE ZONE
Store and refresh all your wines at the correct temperature in the same cellar

LED LIGHT
LED lighting highlights the wine without harming it or disturbing its storage

WIRE SHELF
Robust and easy to maintain, they allow easy storage

VINOTAG COMPATIBLE
Free wine cellar management application. Access a virtual representation of your cellar and a detailed inventory
